Native Point

Native Point has a reputation for producing exceptionally elegant cool climate wines.

Planted with Pinot Noir, Pinot Gris, Riesling and Sauvignon Blanc, our five hectare vineyard is ideally situated north of Launceston at Swan Bay overlooking the Tamar River.

Our beautifully balanced wines can be enjoyed on their own or partner superbly with a wide range of cuisines. Membership of the Native Point Wine Club ensures we deliver our highly regarded wines directly to your doorstep and you can enjoy the benefits of year-round access to our wine.

As a member, we debit your credit card for the amount of \$132 in November and send you six bottles of our latest releases in time for summer. Then in April we debit your card again for \$132 and send you six more bottles to enjoy over the winter months.
